THE CAKE

Half-sheet design: Ridge Robotics meets GM Cares

Ephrata's official colors are Archer Orange and black, with white and silver as supporting tones; the Hewitt Paw and Tiger are the district marks, and the elementary schools lean on the Paw.[55][56][57] GM's identity is a family of blues.[58][59] The cake splits the difference, literally.

Concept rendering for the baker. Use it as the visual target; the order sheet beside it is the spec.

Needed by	Thursday, October 22, 2026, before the visit

Archer Orange #F57B20 · PMS 4011 C	**Tiger Black** #000000
White #FFFFFF	**GM Blue** #194390
GM Sky Blue #86C1E2	**Silver (optional)** #C0C0C0

Buttercream tint for the orange: start from a "sunset orange" gel and warm it with a touch of golden yellow; Archer Orange leans warm, not red.

For the blue panel, royal-blue fondant reads closer to GM Blue than tinted buttercream, and it gives the white letters a crisp edge.

Bring a 10 × 13 cake knife, 60 plates and forks, and a small table sign: "Ridge Robotics × GM Cares · October 22, 2026."
